

TEN COMMANDMENTS OF WOOL

6. EASY TO CLEAN

WOOL IS EASILY MAINTAINED

Because you walk on your carpet, it is unavoidable that it will end up with dust, sand and other dirt on it. Therefore, proper and regular maintenance is essential.

This begins with regular vacuuming to loosen and remove any dirt. It also brushes the wool pile up so that the wool carpet always looks beautiful.

Depending on how heavily you use your carpet, it is a good idea to vacuum at least once, but preferably twice a week.
